

**2010—2011 STUDENT AND MENTOR
SUCCESSES:**

- Participating students changed failing grades to passing grades.
- With guidance from their mentor, all students in this program built better relationships with one or more of their teachers.
- Significant gains were made in the attendance of students who were linked with a mentor.

**Be a mentor and be part of the
excellence that is happening in the
Green Bay Area Public Schools!**

- GBAPS was named to the AP Achievement List by the College Board 2 years in a row.
- Since 1989 GBAPS has been awarded the highest number of Herb Kohl Excellence Scholarships in the area.
- West High School was authorized as an International Baccalaureate School-Diploma Programme.
- Southwest High School took 3rd in the State Academic Decathlon.
- Preble's Show Choir made the top 10 in Parade Magazine's Best Show Choir in America.
- Kennedy Elementary received a national Bronze Award from the Alliance for a Healthier Generation.
- Beaumont Elementary was named a national Blue Ribbon School.
- Lombardi Middle School was named a Middle School of Excellence by AWSA.
- Howe Elementary School was featured on Wisconsin Public Television for bridging the achievement gap.
- Beaumont, Chappell, Kennedy, and Lincoln Elementary Schools were named Wisconsin Schools of Recognition.
- Level 6 ELL students (exited) are performing extremely well on the WKCEs.

**GREEN BAY AREA

All learning. All growing.

Operation Graduation

**GREEN BAY AREA
PUBLIC SCHOOL DISTRICT**

All learning. All growing.

**“We embrace learning for
all as our highest priority.
By providing our diverse
community dynamic educational
opportunities, we
develop engaged members
of society and enthusiastic
learners for life.”**

Graduation is the Goal of Operation Graduation!

This program offers a one-on-one tutoring and mentoring relationship to students at risk of not graduating. Our volunteers are matched with their own high school student to provide consistency in the lives of students who need it the most.

Mentor a high school student:

- Between 7:30 am—3:00 pm, M-F
- One hour per week
- Flexible scheduling
- Background check required

Want to help but do not have the time to tutor? Make a donation!

- Healthy snacks and beverages
- Re-usable water bottles
- School supplies
- Fund a civic service project

Mentoring a student for one hour a week can change a student's life!

Students matched with a tutor through Operation Graduation saw improvement in the following areas:

- Grades
- Attendance
- Engagement with teachers
- Accountability
- Responsibility
- Participation in co-curricular activities

Mentoring a student improves our community:

This unique program allows community members to help the youth in the Green Bay Area Public Schools grow and prosper. Students are more likely to achieve graduation when a stable adult in their lives is there to teach, guide and encourage them.

Operation Graduation also benefits the Green Bay community by having mentors assist students in creating a civic project that the student will perform in spring.
